

Community Scavenger Hunt Fundraiser Rules and Regulations:

General Information

The object of the game is to find as many of the items on the list as you can within 2 ½ hours (5:30 pm to 8pm).

Only 1 car per team, Players should work as part of a maximum of a 5 person team.

Must have at least 1 digital camera or phone (pictures will be used to proof, do not need to develop or have prints made, just show from camera source to judges), remember to have batteries charged and plenty of room on memory-don't want to miss out on points due to not having a picture.

No age limits or age restrictions-all ages welcome (if anyone under the age 18 get involved in your scavenger hunt. Make sure that they will be supervised by their parents or other adults in the group at all times)

The Team That Stays Together - Your team must stay together at all times. You **may not** split up to "divide" tasks.

Registration can be done prior to event – signed disclosures, or start at ½ hour prior to event.

All participating teams will synchronize their watches per judge's clock. Team leaders will be given the list simultaneously at 3pm – no early distributing.

The first team to find the most items on the list and/or has the most points wins!

Playing Fair - Have fun and try to win. But don't let your competitive instincts drive you to ruin other peoples' chances to win. If you do, your team will be disqualified. That means no sabotaging, lying, cheating, stealing, or copying other people's work.

All items must be found by the team.

Protecting Participants

Don't let any youth drive - put adults in charge and don't allow horseplay on the roads like "Chinese fire drills". Make sure everyone wears seatbelts. You don't want a participant killed while speeding during your scavenger hunts.

Limit the play area and place people at strategic locations if needed to insure the safety of participants.

Make sure each group has a mobile phone and contact numbers for emergency.

Points

Set a specific point value for each item on the list.

After the teams have submitted their answer sheets, team participants are invited to acquire bonus points by participating in an activity offered -entire team must have 100% participation to acquire bonus points.

Late Loses. Your team, in its entirety, must return to the specific location of the pavilion by lagoon no later than the specified time of 7:30pm. A point penalty will be given for each minute late to the final destination or to report back with the items.

The event staff will calculate points based on the point value for answers provided. If your team places for a prize, your team will be asked to provide pictures of the locations or other services you have completed on the list. If the team does not have a picture of the object, no points will be awarded for the object. The event staff will record the time that the answer sheet was submitted based on the time displayed on the synchronized clocks at the event staff tables.

Team will be awarded extra point for having everyone in the group as part of the photo.

Appeals-There is no appeals process in this scavenger hunt. There is also no crying. There's no crying in scavenger hunts! All decisions by the judges are final. No exceptions
