

Community Scavenger Hunt Fundraiser

In partnership with KCCCK free concert series Jazz Under the Stars we would like to capture the opportunity to create awareness and pride of the Cedar Rapids community by holding a scavenger hunt fundraiser for the nonprofit organization Spanda Inc., on Thursday, August 26th.

Theme

The mission of Spanda Inc. is to offer health services to all individuals regardless of age or personal/financial situation. With over 8,000 people participating in this family-friendly environment, what better way to honor the community by having a scavenger hunt around the city of Cedar Rapids to start off this summertime tradition for hundreds in the Cedar Rapids Community.

Sponsoring A Team(s)

Spanda Inc. is offering a unique opportunity for business, organizations, and staff to build morale in the office by being involved in a fun summer activity and at the same time raising awareness for a locally developed nonprofit organization that has created a much needed individual serves to the community of Cedar Rapids.

Participation: Scavenger hunts are best performed, and the most fun, with groups. A group of people can pool ideas, and even split up to find items on a long list. It can take one person a long time, and a lot of legwork to amass everything they need to complete the list, and then it becomes work instead of fun. Of course, if someone wants to do the hunt on their own, there's no reason to exclude them. The rules and conditions for participation go as following:

1. Only 1 car per team (up to 5 players)
2. Must have at least 1 digital camera (pictures will be used to prove team was at locations)
3. No illegal activities (speeding, drunk driving, theft, etc...)
4. No age limits or age restrictions-all ages welcome (if anyone under the age 18 get involved in your scavenger hunt. Make sure that they will be supervised by their parents or other adults in the group at all times)
5. Team Registration and Fee due by Aug 13th (\$125 per car) - *Spanda, Inc. is a 501(c)(3) tax-exempt organization.*
6. Time Limit will be set; all teams will start at 5:30pm and will be required back by 8:00pm. Start and ending location will be located at Noelridge Park.

Other Sponsorship Opportunities

Looking for that unique promotional opportunity for your business or organization! Spanda Inc is offering additional sponsorship opportunities.

1. Event Sponsor: \$2000; Guarantee displaying of Logo, Banner, and name mentions on TV, Website, print and Radio Ads. Includes one team at event. Also will have your business as part of the scavenger hunt as a main location to go to.
2. *Prizes*: \$1000; There has to be a point to finding everything on the scavenger hunt list other than just the thrill of the chase. Hunters will be more motivated to find everything on the list if they know there's a prize waiting for them at the end. Trophies, medals, and ribbons will be given out to all members. Logo or name placement will be displayed on these items.
3. Location Sponsor: \$25 each location; Would you like to be a place of business or location that would like to be hunted. The items the team mates are customized by certain locations that they need to go to and document by picture they were there. This sponsorship will allow you to customize and creative with the clue you want put on the list and points will be given by the difficulty of this clue (the more difficult the higher the points, pts will be in increments of 25, 50, 150, 200, 500). *Remember most people try to go for the higher points when being timed.*

Provided Additional Entertainment After:

After a long day of scavenging for items, our participants are going to be pumped up to continue to have fun! At Noelridge Park KCCCK's free concert series *Jazz Under the Stars* will be kicking off for the 2010 summertime family event. Your investment in the support of the scavenger hunt fundraiser and your presence after will be recognized by the thousands of Jazz Under the Stars patrons who attend.
